

PACE Engineers, Inc. is an employee-owned company providing quality professional civil and structural engineering, planning, surveying, and construction management services from offices in Kirkland and Seattle, Washington and Oregon City, Oregon. We have successfully completed projects for a wide range of clients in both the public and private sectors throughout the Northwest.

We offer a competitive compensation package including medical, dental, short and long term disability, life insurance, 401(k) program, ESOP, paid time off, wellness reimbursement and incentive bonuses.

We are looking for an experienced Party Chief for our Oregon City office.

Responsibilities include:

- managing and supervising a survey crew with the goal of accurately and efficiently performing the tasks necessary to establish control networks
- map sites ranging from raw land to urban
- provide construction layout on projects ranging from water lines to multi-story buildings for both public and private clients

Tasks include:

- maintain the quality of the measurements
- record clear field notes of data collected and calculations made
- being able to communicate clear instructions
- ability to read and understand construction plans and survey drawings

Qualifications

- motivated individual
- efficient in a fast-paced environment
- be in good physical condition
- willing to work in inclement weather conditions
- Oregon State driver's license and be insurable

Education and Experience

Ten or more years field surveying experience.

Geodimeter and Trimble Controller experience preferred. LSIT a plus!
