

MUNICIPAL ENGINEER

PACE Engineers, Inc. is an employee-owned company providing quality professional civil and structural engineering, planning, surveying, and construction management services from offices in Kirkland and Wenatchee, Washington and Lake Oswego, Oregon. We have successfully completed projects for a wide range of clients in both the public and private sectors throughout the Northwest.

PACE Engineers, Inc. has an **immediate opening** in our Lake Oswego Municipal Group for a confident, self-motivated, technically knowledgeable engineer with strong communication skills and a great attitude.

What position we need:

A civil production level engineer with experience working with Cities and Districts.

Future team members may apply at

http://www.prospera.com/CareerHubViewer/Post.aspx?ID=pacengineersinc_external_Tq25Maw4JNy8

What you'll be doing:

- Helping our clients improve their infrastructure
- Coordination with Project team
- Responsible for carrying out design of plans, preparation of specifications, and writing reports
- Attend Project meetings

What we are looking for:

- The individual must have 3-6 years of experience
- Working knowledge of Auto-CAD
- Working knowledge of hydraulic modeling software
- Experience with design of municipal utilities and/or streets and sidewalks
- Ability to move a project forward to completion with minimal input
- Ability to do some light traveling for project work

What educational background you will need:

- Bachelors of Science in Civil Engineering
- Oregon PE or in process of obtaining their PE

What we're offering:

We offer the ability to grow in your profession and advance your career. We also offer a competitive compensation package including:

- Medical
- Dental
- Short and long term disability
- Life insurance
- 401(k) program
- ESOP
- Paid time off
- Transit reimbursement
- Incentive bonuses

PACE is an Equal Opportunity Employer
