

LANDSCAPE ARCHITECT / DESIGNER

PACE Engineers, Inc. is an employee-owned company providing quality professional civil and structural engineering, planning, surveying, and construction management services from offices in Kirkland and Wenatchee, Washington and Lake Oswego, Oregon. We have successfully completed projects for a wide range of clients in both the public and private sectors throughout the Northwest.

PACE Engineers, Inc. has an **immediate opening** in our Kirkland Land Development Group.

What position we need:

Landscape Architect / Designer

Future team members may apply at:

<http://bit.ly/LandArchDes2018>

What you'll be doing:

- Assisting with projects from early planning, preliminary feasibility design development through to complete project design and final construction.
- Creating illustrative exhibits for project proposals, concept development and public presentations.

What we are looking for:

Required:

- 2-5+ years professional office experience
- Experience with planting, hardscape, and irrigation design
- Strong graphic ability, and proficiency with AutoCAD and Photoshop

Desireable:

- Ability to research Municipal / Development Code applicable to site development
- Experience with a broad range of projects types (residential, commercial, industrial and municipal projects)
- Proficiency with ArcGIS, Revit or Sketch-up would be beneficial
- Experience with LEED and LID Stormwater Techniques

What educational background you will need:

- Minimum of Bachelors from an accredited Landscape Architecture program

What we're offering:

We offer the ability to grow in your profession and advance your career. We also offer a competitive compensation package including:

- Medical
- Dental
- Short and long term disability
- Life insurance
- 401(k) program
- ESOP
- Paid time off
- Transit reimbursement
- Incentive bonuses
